Unit I
Mud with calcareous nannofossils or foraminifers and occasional sand or ash layers
Subunit IA
Mud with calcareous nannofossil and minor ash layers
Subunit IB
Mud with foraminifers and minor sand layers
Subunit IC
Mud with diatoms and minor tuffaceous sand and ash layers
Unit II
Silty to sandy mud and volcanic breccia/ conglomerate
Subunit IIA
Silty mud, minor calcareous nannofossil ooze, and volcaniclastic sand
Subunit IIB
Muddy volcanic breccia/ conglomerate with gravel
Unit III
Silty mud with volcanic gravel
Unit 1
Basalt
